

parse_data/ParseData.h

```
graph TD; A[parse_data/ParseData.h] --> B[vector]; A --> C[string];
```

A diagram showing a header file 'parse_data/ParseData.h' at the top. Two blue arrows point downwards from this header to two separate boxes below it. The left box is labeled 'vector' and the right box is labeled 'string'. The boxes are light gray with black borders. The arrows are blue and originate from the bottom center of the header box, branching out to point at the top center of each of the two lower boxes.
